

CONTEMPORARY ART RESIDENCIES

R.A.R.O. BARCELONA

+

UBERBAU HOUSE SÃO PAULO

# OPEN CALL

---

# R.A.R.O. BARCELONA RESIDENCY GRANT

**MEET** the most developed art scene in Latin America and its agents related to your interests.

**RESEARCH** your specific topic, in direct contact with people from all over the world.

**COLLABORATE** with other art and social science professionals in an intense 17-day conversation.

The **residency Uberbau\_house** is an instance of reflection, research and documentation on contemporary art, as well as an opportunity of exchange with agents and organizations in São Paulo (Brazil) and all over Latin America.

The Residence is aimed at those who want:

- > develop an independent research
- > plan a strategy of art production or a strategy of career
- > write a thesis in process, essays or a book
- > deepen your knowledge in contemporary art

*The initiative is oriented to researcher visual artists, historian and art researchers, curators, art management's, art teachers, sociologist, anthropologists, and other cultural agents and social science professionals.*

# RESEARCH TOPICS

---

- >Contemporary Art and social process
- >Local Scenes and Artist Run Initiatives
